

THE DESCENDANTS OF

JOHN STANTON, SR.

1748 – 1814

and

MARY SHERMAN

1749 – 1838

The purposes of preparing this set of materials is threefold:

1. To correct errors of names and dates as provided in the original document prepared by Dr. Olin DeBuhr Jackson. The corrections made are those that have come about through records, papers, diaries and the research of others with similar roots.
2. To formulate a more complete picture of the extended family by identifying the families and grand-families of John and Mary Stanton.
3. To build a knowledge base for tracking the westward movement by examining locations for births, marriages and deaths and thereby locating primary sources of information. In addition, information can be obtained about the life, careers and interests of those who have gone before.

The material appearing in **red type** either corrects Olin Jackson's basic work, or is new information previously not known to the Jackson side of the family. My siblings can feel comfortable in adding or altering this material in the record O.D.J. has prepared for each of us. Resources on the Stanton research will be forthcoming with materials on the early Stanton's.

THE STANTON'S – HISTORICAL NOTES AND GENEALOGY

ROBERT L. JACKSON, 2004

Historical Background

At the beginning of the history of England, the Britons were largely in possession of the island. This possession continued up to the close of the first century when the Romans began their conquest. The Romans occupied parts of the country until about the middle of the fourth century, and were followed by the great Germanic invasion of which the Jutes from Slesvig were probably the first. Later the Saxon's came from the countries lying near the southwest shore of the Baltic Sea. They, in turn, were followed by the Angles from Slesvig (Jutland/Denmark). Some of the "original" inhabitants were driven to the hill country and remote parts, such as Cumberland and Wales. Others intermarried with the invaders and "lost" their nationality and distinctive character. Family Records held by Mrs. Maude (Lawrence) Stalcup, 795 Menominee, Pontiac, MI. 48052, Tel. 303/335-2990. She is a descendant of John & Susannah (Stanton) Lawrence and William & Sophina (Palmer) Stanton. (Maude has relatives w/surname of LAWRENCE.)

ANALYSIS OF RECORDS

Record 1:

The original is one page on William Stanton & Sophina Palmer and their nine children and all their birth dates. On the back of the page is a listing of their first daughter Elizabeth who married John Martin and lists their five children; birth dates are shown for all the Martin names.

Written sideways on the back is the name of Stanton J. Lewis with his birthdate. He married Wealtha M. Stanton another daughter of William & Sophina.

The creases on this paper would indicate it had been folded in half, then in half again, and the final fold was small enough to fit in a small envelope, and possibly was mailed by Stanton J. Lewis to Elizabeth Martin. The Lewis family lived in Wyandott County, Ohio and the Martins lived in Saginaw, Michigan by 1860. Elizabeth (Stanton) Martin died at the home of her daughter Sophina (Martin) Lawrence in 1894, Romeo, MI, per her death certificate; her tombstone erroneously states died 1904. The writing on the front matches the signature of Stanton J. Lewis, and it is probable that the Martin information was added later.

Record 2: Is two pages in a very worn condition and may have been given to Elizabeth (Stanton) Martin at the time of her marriage to John Martin c.1829. She may have known that someone else had the Stanton Family Record, and asked for a handwritten copy, since the ink was faded on this older record.

For purposes of identifying the pages, they have been marked at the bottom:

Front, page 1: Marriages of Palmer and Stanton.

Back, page 1: Birth dates of Palmer and Stanton.

Front, page 2: Birth information continues on Stanton names.

Back, page 2: Death information shown only for two Stanton children.

Birth dates. Where the day of a week is shown with the birthdate, the day of the week is correctly stated, as this information could be verified using a reference chart. The numeral 9 is somewhat looped but is a nine.

Writing on Record 2: There is a good possibility that Sophina (Palmer) Stanton wrote this record. She and William's signatures are on a pension application made by Belinda (Stanton) Ferguson, March 1864. Sophina's signature is a well written one.

Note: Ina Sherwood Metras in Vassar, MI, sent copies of pages of Wm. Stanton & Sophina Palmer and John Martin & Elizabeth Stanton. These papers were sent to Ruth Hoeper in 1979 by Maude Lawrence Stalcup. She responded as did others when I sent out letters to Lawrence persons listed in telephone directory for the Pontiac & surrounding areas.

1854 MAP

Part of Chautauqua County, New York

1. Lower Left: Is the cemetery where William & Sophina Stanton, and other Stanton relatives are buried.
2. Follow the red lined road upwards to the block outlined in Sec. 27. The black square indicates a house. Murket's name is on the property which John & Elizabeth (Stanton) Martin owned from 1837 to 1839 when they sold their 25 acres.
3. From Murket's house follow line upwards and turn right on the next road, passing the School House and Methodist Episcopal Church.
4. On the left side of the road in Sec. 21 appears the name of Ferguson Estate. Elias Ferguson, husband of Belinda (Stanton) Ferguson died in 1852 leaving her with eleven children. She had a dower right to the property, and when she died in 1891 her heirs disposed of the property.
5. On the left side of the road above Belinda's house appears the name of L. Kruger. John & Elizabeth (Stanton) Martin bought this property in 1839 and sold it to Mr. Kruger in 1853. The Martin family moved to Michigan by October 1855.
6. The next house was that of B. S. Stanton. Benjamin Stanton built the house on property he bought in 1852. in Sec. 13.
7. The next house was that of S. Wallace. Sanford Wallace married Ruth Stanton. His house was about a mile from Belinda Ferguson.
8. Across the road under the No.13 can just barely be read the name of H. Stanton. Hiram bought $\frac{1}{2}$ of the property belonging to his brother Benjamin Stanton in June of 1852. in Sec.13.
9. Below the No. 5 there is a red circle around the name of W. Stanton. William & Sophina (Palmer) Stanton bought this land in 1836 from the Holland Land Co. In 1857 William Stanton sells his property to his son Benjamin Stanton. In 1857 Benjamin Stanton sells the other half of his property to Hiram in Sec.13 In 1857 Hiram leases 5 acres of this recently bought property which contains the house Benjamin built to his parents who move there. In 1864 Sophina (Palmer) Stanton died, and William turns the 5 acres back to Hiram in Feb. 1865, and probably boarded with one or the other of his sons and daughters. In 1865 the New York State Census lists William Stanton living with his daughter Belinda; he was aged 79 and was born Vermont. He died Nov. 1867.

1981

In 1981 Ruth & Ben Hoeper went to Chautauqua County, and to the County Court House in Mayville. Mayville is a lovely small country town. The road from Mayville to Sherman where the cemetery shows was over gently rolling farm land. Really is not at all much different that this map shows. We stayed at a motel near Mayville on the edge of Lake Chautauqua. There was a paddle wheel boat that runs on the lake in the summer tied up at the dock. This lake is 15 miles long. The city of Jamestown is at the other end of the lake.
